**Subject:** [EXTERNAL] Statement from Sylvester Sanzari regarding Drew Micucci

David, below is a statement that was emailed to us last night by Sylvester Sanzari. As we discussed yesterday being a possibility, Drew lived in the three bedroom apartment with Sylvester for approximately two years during the time he voted in North Bergen, before moving to his new apartment and changing his registration earlier this year. Below is the statement we received:

**Drew Micucci lived on the first floor of my Residence at 112 73rd Street North Bergen New Jersey from May 2016 through May 2018. This property is owned by myself, Sylvester Sanzari and my brother Arthur Sanzari, otherwise known as Sanzari Brothers LLC . Our brother Gerald Sanzari has no vested interest in this property and is not a member of the LLC.**
